88000 kgs  
Less 9% **80080 kgs**

Please Note:

The weights reflected on this sale and this document are obtained from the manufacturers original specification data sheet. Due to the age of these assets there may be variances in the weights.

We have deducted 9% to allow for this and missing parts. It is however the clients responsibility to satisfy themselves as to the accuracy of these figures. No claims post auction will be entertained.

Please refer to clause 16 & 19 in the participation form.

Please note that the TCC (top centre castings) of the rolling stock will have to be reclaimed from the disposal sites.

Please note that the 9% deduction is inclusive of the TCC and any other components of the Rolling Stock, which might be reclaimed.

**Dear Buyer**

**When arriving on site please ensure to report to a Transnet Representative.**

**This Representative should accompany you to the rolling stock items, as reflected on this downloadable document. Please sign against each rolling stock as received by yourself.**

**Please note: Rolling stock (Wagons/Tankers/Locos/Coaches) that are not on the list above do not form part of the sale and should not be cut.**
