5. Machinery and Occupational Safety Act 6 of 1983

These regulations below are valid, in terms of Section 43(5) of the Occupational Health & Safety Act

Kindly note in particular the provisions of Regulations 9(1)(a), 9(1)(d), and 9(5).

9 (1) No employer or user of machinery shall require of PERMIT welding or flame cutting operations to be undertaken, unless –

(a) The person operating the equipment has been fully instructed in the safe operation and use of such equipment and in the hazards which may arise from its use;

(d) The workplace is effectively partitioned off where practicable and where not practicable all other persons exposed to the hazards contemplated in paragraph (b) are warned and provided with suitable protective equipment.

9 (5) Where hot work involving welding, cutting, brazing or soldering operations is carried out at other than workplaces which have been specifically designated and equipped for such work, the employer shall take steps to ensure that proper and adequate fire precautions are taken.

6. IMPORTANT NOTICE RELATING TO THE FLOATING CRAFT:

6.1 The floating craft will not be released unless the following is adhered to:

6.1.1 Change of ownership to be completed at bidders costs with SAMSA.

6.1.2 All certification has expired and will need renewal at the successful bidders cost.

6.2 Even if the floating craft is paid in full or financed it will NOT be released unless the above conditions are fulfilled.

6.3 The Buyer's attention is also drawn to the Port Rules with regards to hotwork permits.
